

Betty Donnelly rocks!

About Betty Donnelly

Based, born and raised in the suburbs of Brussels, Betty Donnelly has come a long way before giving a whole new meaning to the indie rock genre, due to the sheer uniqueness of being a soft-androgyne woman in transition ..

Betty Donnelly, who's main influences include THE CURE, DAVID BOWIE, PIXIES and THE BEATLES, has been covering some different styles throughout the eighties, nineties and 2000's, from downright curish old skool, over pixies like music, to what has now become something of a signature genre Betty's dubbed witch rock!

In 1984 a culture shock shook Betty Donnelly after hearing THE CURE on the home radio ..

After being in THE FEAR, and THE ELEPHANTS, which led to her evolving into a band leader and multi-instrumentalist, BETTY DONNELLY really kicked off her solo act when she wrote MY UNTOUCHABLE FRIEND and THE VOID in 2004.

Now, in 2010, with numerous positive explosive comments and reviews, Betty Donnelly is ready to take on the world by surprise with her 90 minute set of absolute wonderful gems of songs, most of which can be found on her debut album ...

Nightmares of love.
